

Braxton G. Bell Memorial Golf Tournament to Benefit Hunters for the Hungry

Join with us to make a difference! Since the inception of Hunters for the Hungry program, over 8.1 million pounds of venison have been given to the needy of Virginia. That's enough venison to provide over 32.5 million servings of this nutritious high protein low fat food.

By supporting the Braxton G. Bell Memorial Golf Tournament for Hunters for the Hungry, you can help support the program and honor a man who lived his life helping others. You can help us meet our 2025 goal of 200,000 pounds to be provided to those who struggle with hunger.
